

# WARNING!

**THIS LETTER COULD CHANGE THE BEHAVIOR OF YOUR CLASS!**

Dear \_\_\_\_\_

I am a member of an exciting Martial Arts School called Haskins' ATA Black Belt Academy. For many years they have helped kids and adults improve their lives. My parents and I know how much the Martial Arts have helped me!

On a special "Show and Tell" demonstration, you and my classmates will have a chance to see and hear how this program works. Not only is Martial Arts a fun activity and good for fitness, but we also learn self-defense, confidence and respect.

Please schedule a time for my instructor to visit the class. As a bonus, you will receive passes for you and all of your students for a free 30-day trial membership in the Martial Arts Program! You can give them to the students with the best behavior.

If you are interested, I can have my instructor give you a call or you can call my Instructor at (321)-752-4410

Thank you! I will return this card to my Martial Arts Instructor today!

Your Very Best Student,
